Questions About Bingo

If you have any questions, our Bingo Hall staff will be glad to help you

The Caller

The Caller calls out the Bingo numbers as they are drawn. Prior to a game, either Basic Board or Specials, the Caller announces what game and what color tearsheet is being played.

The Basic Board

The Basic Board consists of a set of colored tearsheets with 12 different Bingo cards to a set. For each particular game, you can play one Basic Board comprised of 12 Bingo cards.

Special Sheets

The 'Specials' are separate Bingo games on tearsheets not included with the Basic Board. Specials are sold during the game and you can play as many as you like.

Happiness is Yelling Bingo!

If you've got a Bingo, yell it out immediately. The Bingo Hall staff will review your card and give you your prize.
