

Great News For Portage Players Club Members!

We will extend Portage Players Club Tier Level status throughout 2022 to all of our players. Both US and CA players will retain their current Tier Level status.

Players will continue to enjoy the tier-related perks and benefits they are accustomed to. We thank our loyal players who stay, play and dine at our property during these challenging times. Here's to a safe, rewarding and fun 2022 to all!
